“There is clearly business alchemy at work in the ICD-Rotman Directors Education Program. We started as a melting pot of diverse perspectives and accomplishments. Working together, being stirred by a challenging, catalytic faculty, we have been newly minted as more effective directors – better understanding our obligation to be fully engaged, curious, independent thinkers, with the courage to ask tough questions - and the tenacity to demand real answers.”

— **TONY GAFFNEY**, Accenture Inc., Toronto DEP 33 Graduate
